

## **Horse Show Registration Fee**

In efforts to get better end of season prizes, there will be a \$20.00 Registration Fee for each horse and rider and \$10.00 for each additional horse.

***This is only charged once for each season NOT PER SHOW!***

Points will be applied toward end of season prizes once the registration fee has been received. ***This will not affect ribbons or end of day awards.***

If the horse/rider does not sign up for the registration fee, the points for that show will not be applied toward end of season totals. A horse/rider can register at any time during the series, points from that point forward will be applied toward end of series awards.
