

NATURAL HORSEMANSHIP CLINIC

Clinician: Jim Thomas
Contact Person: Linda O'Donnell
Dates: March 9th, 10th, and 11th

Jim is an experienced horseman who has trained with several well-known clinicians. He spent five months in Texas riding with Craig Cameron and two months in training with Clinton Anderson. He is also a participant in the Supreme Mustang Makeover.

The clinic will start at 9:00 A.M. each day with ground work in the morning and riding in the afternoon. Cost of the clinic is \$450.00 for the three days. Since Jim wants to work individually with each horse and each rider, there is a maximum of seven participants for the clinic. To reserve a spot, give Linda a check for a \$100.00 non-refundable deposit, made out to Jim Thomas. Balance of \$350.00 is due on or before March 8th, with checks made out to Linda O'Donnell. Should you not wish to participate with your horse in the clinic but would like to observe Jim's methods, you may choose to audit the clinic. Auditing cost will be \$15.00 a day or \$30.00 for the three days. Again, checks are made out to Linda.

Your name will be added to the clinic list upon receipt of the non-refundable deposit. We have not had a natural horsemanship clinic at Equine Country USA for six or seven years, so this is a unique opportunity to attend one without having to trailer off somewhere. If we have enough interest, we will look at scheduling future clinics as well.
